JAKAMEN

COMPANY PROFILE

ABOUT US

The company started as a family business by Ayan Giyim who entered into the textile sector since 42 years in Turkey. In 1997, the JAKAMEN brand was created adding to the business success and rapidly expanded internationally. JAKAMEN became a popular brand through visual and written media and with its quality products.

As the technology evolves through the lapse of time, JAKAMEN continues to reflect this change through its production. Adopting a non-stop growth as principle and combining its steady development and quality products with fast production, Jakamen has grown over more than 70 stores, ownership of 50 stores and runs more than 20 franchise stores internationally.

JAKAMEN have justified pride of creating a slogan on trust and quality in the course of time, since the date of its establishment to these days.
